

# March 2026 YN eLetter

Happy Spring Month!

Welcome to our Worcester County Numismatic Society (WCNS) Young Numismatists (YN) March 2026 E-Letter. We will have our next meeting ~ 6:30 p.m. on **Friday the 13th** 🗓️ of **March 2026**. It was so scary at last month's meeting, only 3 adults, 2 YNs and 0 YN Alums were in attendance. As always, let me know if you are going or not ([gluemark@gmail.com](mailto:gluemark@gmail.com)), so we can **start on time** 🕒 or wait if anyone (including me) is running 🏃 a few minutes late!

## March Meeting: Penny Lover 🪙❤️!

In March, our topic is "Penny Lover". We will have fun facts and trivia about the U.S Lincoln Cent. Hopefully, I will find some prizes! Do you have a favorite cent? Bring it in for show and tell! Here is a song to hum during our meeting: [Lionel Richie - Penny Lover \(1984\) \(HQ\)](#) Question: Do you think the "Omega Cent" should be part of the U.S. Cent Series?

## Last Meeting: February "Find and Show":

At our last meeting, we did not have a "funeral for a friend" 🏢🪙. Instead we had a very special edition of "Find and Show". We looked 👁️ at some unique finds acquired around the year 2020. It was a collection of mint errors, collectible coins and West Point mint marked quarters! A very cool collection!

Bring in the American Women's Quarter board holder issued by the U.S. Mint. The holes for the quarters are very tight - so how do we get the quarters in? Bring the quarter board in and we will explore various ways. The diameter of the hole is 23.85 mm and the diameter of the US Quarters is 24.28 mm.

## Website relating to coins, bills, numismatics, etc.:

This month's link relating to numismatics and this month's meeting: From where the origin of the U.S. Cent, The U.S. Mint: [Penny | U.S. Mint](#) (I wish they wouldn't use its nickname).

## Show & Tell February:

Christian 🇮🇳: brought in a collection of Indian Head Cents featuring the years 1895 and 1901!

Karen 🤗: brought in a set of coins from the country of Belize she acquired on a cruise 🚢 to the Panama Canal!

Show and Tell: Bring in any numismatic **coin, token, or currency!** This is the time to shine & show us what you got. Remember for Show and Tell, try to bring in **ONE** coin, set, or currency you would like to share with the club. It is O.K. if you do not have anything, want to show the same thing over and over, or just plain old forget.

### **MEMBERSHIP:**

WCNS membership 📅 normally runs from Jan-Dec. WCNS supports the YN program and is the main reason we receive most of the cool numismatic goodies (coins, tokens, notes, prizes). Remember, if you are a member in good standings, you will receive the goodies 👍!

### **Wrap-Up**

Always remember to bring your "**Short Snorter**" 🤖 to our meetings. You'll never know when you will be asked to present your Short Snorters to receive a prize. What? You don't know what a Short Snorter is? Show up to a meeting to find out!

### **Potential Topics:**

March 13: Penny Lover

Do you have any interests for upcoming meetings? Let me know.

We are currently meeting at **Hadwen Park Congregational Church, 6 Clover Street, Worcester MA**. Take a look at the WCNS website at [Worcester County Numismatic Society](http://Worcester County Numismatic Society) for directions, pictures and links to our previous e-letters.

As always, you can contact me by email: [gluemark@gmail.com](mailto:gluemark@gmail.com) to discuss coins, notes or other ideas!
