Welcome to our Worcester County Numismatic Society (WCNS) Young Numismatists (YN) November 📅 2025 E-Letter. We will have our next meeting ~ 6:30 p.m. on **November 14, 2025**. Last meeting, 6 adults, 6 YNs and 0 YN Alums were in attendance. As always, let me know if you are going or not ([gluemark@gmail.com](mailto:gluemark@gmail.com)), so we can start on time or wait if anyone (including me) is running a few minutes late!

## November's 📅 Meeting:

At our November meeting, our topic will be **Project 1-9-8-2 (Part 2)**. Don't forget to look for five additional 1982 cents! Bring in the scales 🏴‍☠️ you made during our last meeting and all the 1982 cents you have collected. Extra scales 🏴‍☠️ will be available if you missed October's 🍷 meeting. After Show and Tell, we will learn the intricacies of the scales we made. The focus of the 1982 project is to put together a set of 1982 cent that were minted for circulation. Do you know how many different varieties were released? Do you know how to tell them apart? Below you will find a link with some of the answers! \*Rumor has it, the U.S. Cent is becoming hard to find! Have you been looking?)

## Last Meeting:

At our October 🍷 meeting, we started **Project 1-9-8-2 (Part 1)**. Project 1.9.8.2. started with the creation of our own scales to sort the copper and zinc 1982 cents. Also, we sorted 1982 Philadelphia and Denver mint marked cents. This is the first step to put together a set of the 1982 cents. Aww-man: Homework was assigned during our meeting to find five (5) additional 1982 cents! Who will use the excuse "My dog ate my homework!"?

Below is an awesome project from our Summer Adventure:

Great Job!!!! 🍷

### Website relating to coins, bills, numismatics, etc.:

This month's link relating to numismatics is beneficial to **Project 1.9.8.2.:** "The Lincoln Cent Resource" ! : [1982 P & D Large and Small Dates](#) This site is the greatest resource I found for the Lincoln Cent and varieties! Tell me if you checked out the site! I'm interested in what you think!

### Show & Tell October: Yea! I found the list

Christian 🧐: 1904 S Liberty Head Dime won from a raffle;

Joseph 😊: brought in a 1907 gold plated racketeer nickel;

Calvin 🧐: brought in a Proof 1986 Set;

Ian 🧐: brought in the elusive 2 grain silver BigFoot bullion piece - I only saw a glimpse of it...I think.

Show and Tell: Bring in any numismatic **coin, token, or currency!** This is the time to shine & show us what you got. Remember for Show and Tell, try to bring in **ONE** coin, set, or currency you would like to share with the club. It is O.K. if you do not have anything, want to show the same thing over and over, or just plain old forget.

### MEMBERSHIP:

WCNS membership 📅 normally runs from Jan-Dec. WCNS supports the YN program and is the main reason we receive most of the cool numismatic goodies (coins, tokens, notes, prizes). Remember, if you are a member in good standings, you will receive the goodies 🍷!

### Wrap-Up

Always remember to bring your "**Short Snorter**" 🐷 to our meetings. You'll never know when you will be asked to present your Short Snorters to receive a prize. What? You don't know what a Short Snorter is? Show up to a meeting to find out!

### Potential Topics:

November 14: Project 1-9-8-2 (Part 2)

December 12: Fun with Coins

January 9: Project 1-9-8-2 (Part 3)??? If needed, we'll put the finishing touches on the 1982 cents!
